

Call for Participation

We invite you to join us in **8th International Conference on Chemical Engineering (CHEME 2024)**.

This Conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Chemical Engineering. The conference documents practical and theoretical results which make a fundamental contribution for the development of Chemical Engineering. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field. Original research papers, state-of-the-art reviews are invited for publication in all areas Chemical Engineering.

Highlights of CHEME 2024 include:

- 11th International Conference on Mechanical Engineering (Meche 2024)
- 8th International Conference On Civil Engineering (CiViE 2024)
- 8th International Conference on Biomedical Engineering and Science (BES 2024)
